Paper No. 20070618

Examiner's signature, if required

Examiner explained that the previously objected claims need to be incorporated in their entirely to place the application in condition for allowance. Furthermore, the Wise et al reference was cited in the previous office action in response to applicant's Offical Notice challenge. Therefore the final rejection was proper. Mr. Ference indicated that applicant most likely would incorporate the allowable features into the independent claims. Examiner agreed to wait a couple of days before issuing an advisory action.
